

Transfer of Copyright and Certifications Agreement

Manuscript No. (for Editorial Office use only) _____

Complete copyright to the article entitled:

_____ is hereby transferred to the Journal of Radiology , LLC (JRAD) (for U.S. government employees: to the extent transferable), effective if and when the article is accepted for publication in JRAD, printed or electronic format. In the case of authors who are officers or employees of the U.S. government, JRAD recognizes that works prepared by them as part of their official government duties are in the public domain.

Authors reserve the following rights:

1. Other than copyright, all proprietary rights including patent rights relating to the subject matter of the article.
2. The license for personal use in lectures, lecture notes, and exhibits.

Please return this form as soon as possible. The signed statement must be received by the Editor before the manuscript can be processed for publication.

- A. All authors certify that this material or similar material has not been and will not be submitted by them or by colleagues in their institution to any other publication prior to its appearance in JRAD. Any exception to this must be noted on an attached separate sheet of paper.
- B. All authors certify that they have read the Publication Information for Authors found in the JRAD section of the radiology.com website. They further certify their understanding of and compliance with the various requirements found therein, in particular those relating to authorship and redundant publication and potential sanctions for redundant publication.
- C. All authors certify that they have submitted all required permissions and that all required statements have been inserted in the text where appropriate.
- D. All authors certify that all individuals who have participated sufficiently in the conception and design of this work, in the analysis of the data, and in the writing of the manuscript have been listed as authors. All authors further certify that they have read the final version of the manuscript and approve it for submission for publication, and agree with the placement of authors in the author listing.
- E. All authors certify that the Editor may correspond with the designated *corresponding author* regarding acceptance, rejection, and revision of the manuscript and that the corresponding author is responsible for informing all other authors of the same.
- F. All authors certify that responses, revisions received by the Editor from the designated *corresponding author* will be treated as if from all authors and that the corresponding author is responsible for informing all other authors of the same.
- G. All authors certify that: **(must check one)** (Please see Publication Information for Authors for explanation.)
- they have no direct or indirect financial interest in the products under investigation or subject matter discussed in this manuscript, or
 - one or more (please name) authors do have a direct or indirect financial interest in the products under investigation or subject matter discussed in this manuscript. A separate statement is attached that details this proprietary interest, and the authors hereby grant permission to publish this information or an appropriate summary thereof with the manuscript if the manuscript is published.
